

People you don't like
are people
just like *you*.

That includes **bikies**.

They have wives and kids.
They are fathers, sons, and brothers.
They work for a living.

Most are **NOT CRIMINALS!**

If some are going to be declared to be criminals
then let a **COURT OF LAW** say so,
NOT A POLITICIAN!!

If it wouldn't be right to treat you that way,
then it isn't right to treat *anyone* that way.

**INSIST ON JUSTICE FOR ALL
or all will suffer - eventually**

Please share - we don't have millions to spend on an advertising campaign
