**Subject:** Anti Gang laws

To the Inspector of Legislation & Development review Services

I propose any changes. For these reasons.

As a bike rider who rides a Harley Davidson motorcycle if you take the patches off these people any bloke that rides a Harley Davidson motorcycle could be a gang member so does this mean when me and a few mates go for a ride we will be pulled over and ridiculed like what's happening in other States where these law's have been introduced if so unfair.

Also if these people are supposable meant to be into criminal activities taken their patches of them want change a thing in my opinion.
