Morning,

I'm writing as a member of the general public who has never been involved with any motorcycle clubs.

It does not affect my lift whether they exist or not. However I do believe they have a right to be treated fairly so I stand against these new rules. Please consider all options before things get out of hand and no clubs are welcomed. I for one have never felt threatened while attending a fund raising event where these motorcyclists have ridden waving to all the children and raising not one money but awareness for good causes. I stand against these new rules.

Yours sincerely
Tarnia Clarke
