Corporate Performance Report

Disclaimer

The Corporate Performance Report is produced for internal purposes to measure the performance of our people, resources and systems, and to assist with the management of our business. The Report is made available to external stakeholders as the figures contained may be of public interest. Data are not extracted for the Report until one month after the reporting period has concluded. This one month period ensures there are sufficient opportunities for data to be entered into police systems and for quality assurance to be undertaken. However, the primary purpose of the Report is to measure internal performance, not provide official Departmental figures. There may be discrepancies between measures provided in this Report and official Departmental figures due to several possible factors.

Electronic data is extracted one month after the end of the reporting period (on the first day of the month).

Manual data is collated monthly by Reporting Services from information self-reported by organisational units within DPFEM or provided/downloaded from a variety of sources as indicated throughout the Report.
