Source (all sections): Command and Control System, Emergency Services Computer Aided Dispatch On the 3 October 2017 Tasmania Police transitioned to a new dispatch system, Emergency Services Computer Aided Dispatch (ESCAD) system. This introduced additional status and unit types. Data post 3 October 2017 cannot be compared to data prior to that date. This is due to the replacement of the Command and Control System (CACS) with the Emergency Services Computer Aided Dispatch (ESCAD) system which records data sets differently
