Comments: <b>CA states he has pulled a boat into the boat ramp at AA. VES outboard was still running when he came across boat ramp. CA has spoken to another person who advises that a pile of clothes is on the breakwater nearby. CA dropped out. Stated he had gone out on his own boat but found the vessel floating in the river. Will wait at ramp to see POL.</b>

## Incident 000049-07012026

As at: 22/01/26 09:47

S005016		Significant Information	07/01/26 06:49	Kerry phoned back, he has the boat tied up at boat ramp. Kerry states that there are people nearby that state they saw an elderly male walk along the rocks near the boatramp (adjacent to the showgrounds) hoping to get his boat that went adrift as he went to his car. Rego of boat: 56177. CA is going to go back out in his boat and look for this male. Approx over 60s, very short, bigger man. Wearing black top and black short shorts.
U2950		RMS	07/01/26 06:49	RMS Query Type: Vehicle Click to display results 07/01/2026 06:41:30
U2950		POI/VOI	07/01/26 06:50	VES - 56177 - 6m white Cuddy Cabin runabout registered to same MA
U2950		Operator	07/01/26 06:50	PN called and message left with JN
U3154		Operator	07/01/26 07:03	U13 - booking on now and advised
S004664	U10 (u10)	Operator	07/01/26 07:06	Acknowledged receipt of incident 000049-07012026
U3154		Significant Information	07/01/26 07:12	CA called back. He has a female with him who has confirmed that she saw the male take his clothes off and go into the water to swim out to the boat - this occurred around 5:30 this morning. Went in from the back of the showground. CA can see the clothes from where he is - can meet at boat ramp.
U3154	Y86	Callsign Message	07/01/26 07:12	requesting SAR controller
U3154	Y81	Operator	07/01/26 07:14	Acknowledged receipt of incident 000049-07012026
