

Not Related to Request

These are the numbers for the last 3 years. Please note the following:

- These relate only to Road Safety **blood** samples analysed in our laboratory
- These samples include
 - i. Blood taken following motor vehicle accident where alcohol analysis is requested
 - ii. Blood taken following breath analysis, if requested
 - iii. Blood taken following refusal of breath test
- These numbers do not include drivers or passengers deceased as a result of a fatal motor vehicle accident.

	2015	2016	2017
