The Corporate Performance Report is prepared as an internal document for the use and information of Department of Police and Emergency Management. The data contained herein reflects a year-to-date comparison of performance with last year. Data produced in this report is collated from a number of sources, both electronic and manual. Electronic data was extracted on the 6th of July 2013. Manual data is collated by Organisational Performance and Review Services from information supplied from a variety of sources.
