Corporate Performance Report

Tasmania Police

Caveat

The Corporate Performance Report is prepared as an internal document for the use and information of Department of Police and Emergency Management. The data contained herein reflects a year-to-date comparison of performance with last year. Data produced in this report is collated from a number of sources, both electronic and manual. Electronic data was extracted on the 5th of December 2012. Manual data is collated by Organisational Performance and Review Services from information supplied from a variety of sources.

On 1st September 2012, Southern and Eastern districts merged. Report data for these two former districts have now been combined. In this report, the new district is referred to 'Southern'.

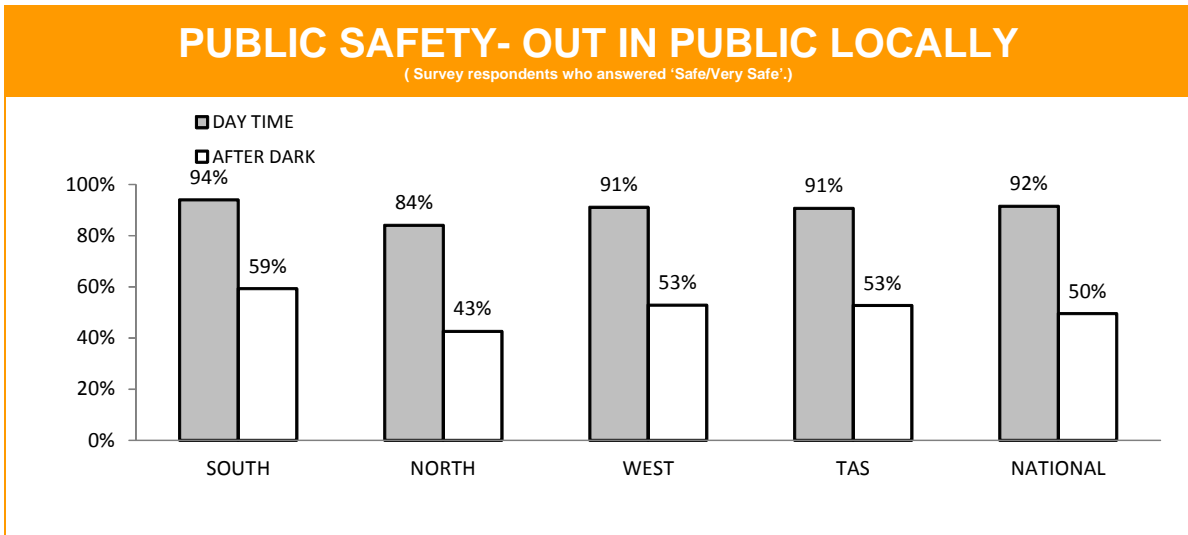

Due to the timeliness of this report, the data may not be complete and future refreshing of the data may return slightly different results. This document is not intended to be used for official statistical purposes.
